Women Up to No Good Pat Murphy

What do women want? Well, if Pat Murphy is to be trusted (and we're not saying she is), women are looking for trouble. And in this collection of powerful stories, they find it — at an archeological dig in the Southwest, in the urban alleys, in California suburbs, in the old West, in ironic fantasy settings. Over the past 25 years, Pat Murphy has been writing stories that garner critical attention and win awards. Her work is difficult to categorize, living on the boundaries between genres. But her characters are easy to recognize. They are troublemakers, every last one of them.
