Kuji-Kiri means "Nine symbolic cuts". It is a technique that belongs to the Japanese esoteric Buddhist tradition. From the outside, it seems to consist in drawing nine lines in the form of a grid, then drawing a symbol on the grid. In fact, it is the setting in place of nine energy structures, that once activated, can empower a concept represented by the symbol drawn over the grid. This symbol then interacts with what seems to be reality, and modifies the structure of the universe according to the desired effects. It is the sacred esoteric science of the oriental mage.
