PAPER DOLL Art Prints Davi Botts Paper Doll Travels Lili, the Model So attractive, they are suitable for framing! Since I love to see interesting backgrounds which tie into a theme of a paper doll, and I love to create lovely images using paper dolls, well, this allows me to have a ball putting together all components to make these frameable paper doll art prints. This set is made from Lili the Model. As there were four costumes, there are four prints, each combined with vintage travel posters. They are not authentic to the time period of the paper doll, but used for design effect. That bold Deco design works well with the hard-edged line work of Miss Botts, and the coloring that I have added. In these posters, as a glamorous model, Lili travels to some of the most beautiful places in the world. Lili is visiting: New York City (1950s poster) Stockholm (1950s by Ewar Donne'r) Verona (1950s-where Romeo & Juliet was set) and San Remo (poster by Alicoma) Each print is laser printed on archival 80# coverstock, size 8.5" x 11", and stored in a crystal clear seal-top bag. Not die-cut. You cut them out with scissors, the old fashioned way. All archival; 80# coverstock covers, and 32# inside pages. Smooth-fine-grained papers, easy to cut. To offset shipping costs, we will insert free product for you, valued at \$2.50 for each additional book added to your order. ie: Order 3 books and receive \$5 in free product. Order 4 books and receive \$7.50 in free product. We'll choose something in the same style-topic of those you order.
