**Salamandria** Stan Trauth, Joy Trauth

What's it like to be a salamander or a snapping turtle? "Salamandria" transports readers to the little-observed world of animals that scamper, scurry, and slither over and under the ground. This nature/fantasy adventure blends scientifically accurate information into a unique tale about maintaining hope, confronting prejudice, falling in love, and the importance of friendship when an earthquake offers a group of captive salamanders an opportunity for freedom. But freedom on the Outside has costs, and decisions have consequences.
