Sing Me Home

Lisa Ann Verge

Sing Me Home Lisa Ann Verge

Another sexy, adventurous, historical romance from the RITA-nominated author of seventeen novels, Lisa Ann Verge!

"[Sing Me Home] is proof that people can change, one man can make a difference, and that romance novels can be funny, and lusty, and still cross into deeper territory." --*Detroit Free Press*

"I love Ms. Verge's style. She scatters her puzzle pieces, then fits them into the most unlikely places. This one left me soaring." --*Rendezvous*

"Lisa Ann Verge is one of the best medieval writers today." -- *Affaire de Coeur*

Ireland, 1307

Blessed with an angel's voice, Maura of Killeigh escapes from a convent determined to join a band of traveling players. They'll be her protection on the roads while she searches for the parents who abandoned her at birth. But once face-to-face with the seductive, sinfully handsome vagabond who rules the troupe, Maura wonders if she wouldn't be safer traveling alone.

From reader reviews:

Scott Frew:

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like looking for your favorite book and reading a guide. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Sing Me Home. Try to make the book Sing Me Home as your buddy. It means that it can be your friend when you sense alone and beside associated with course make you smarter than before. Yeah, it is very fortunate for you. The book makes you a lot more confidence because you can know almost everything by the book. So, let me make new experience along with knowledge with this book.

Rebecca Stark:

As people who live in typically the modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is always change and make progress. Some of you maybe will update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This Sing Me Home is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Robert Lee:

The particular book Sing Me Home will bring you to definitely the new experience of reading some sort of book. The author style to explain the idea is very unique. In case you try to find new book to study, this book very ideal to you. The book Sing Me Home is much recommended to you to study. You can also get the e-book from official web site, so you can quickly to read the book.

Michael Aldrich:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So, this Sing Me Home can make you truly feel more interested to read.
