Summer Moved on

Michael Breyette

Summer Moved on Michael Breyette

Michael Breyette's "Summer Moved On" presents an excellent cross-section of the paintings of this American artist. Breyette uses warm colors and harmonic forms; his paintings convey ease and radiate meditative power. The bodies of the men melt into the landscape. The artist paints American icons, baseball players, cowboys, surfers, all in everyday scenes that are full of confidence and the relaxing warmth of the late summer's heat.
