Courageous Grandparenting: Unshakable Faith in a Broken World Cavin T Harper

Courageous Grandparenting is a call for grandparents to rise above the conventional view of grandparenting to embrace radically courageous life that stands apart from the politically correct crowd. It's a call to intentionality -- not settling for simply being good parents and grandparents, but choosing to stand in the gap and live as conduits of grace and truth for the next generations. Cavin Harper appeals to the emerging masses of Boomer grandparents to create a movement of godly men and women resolved to not let another generation grow up on our watch that does not know the Lord or His amazing grace. There's too much at stake if we don't.
