When the monsoon rains come it's not just us mere mortals who get to join in the celebration. The heavenly bodies have a little party of their own to send the rains off into their downpour. See what happens when Moon, Wind, and Sun are sent off to a grand feast hosted by Thunder and Lightning. Northern Star guides them on their journey with one request that they must fulfill on their return. What will happen when Sun and Wind get caught up in the celebration, forgetting all about Star's special request? Brilliantly illustrated by Jayme E Robinson, this stunning tale will sail you through the cosmos with an imaginative style that jumps off of the page.
