What would the end of history look like? What if Jesus Christ tarried and He did not return when we thought He should? What if one had to face all sorts of challenges, trials, temptations and testing? What if you had to face spiritual, mental, social and physical persecution because of your faith in Christ? What would it be like if the real hero of all time came to the rescue at the end of the story? This story is set prior to the Post-Tribulation Second Coming of Christ and it is about the lives of a number of young Christians in middle America caught in something that they cannot escape and who must make the decision to follow Christ wholeheartedly or to compromise.
