The Hunted (The Marian) (Volume 2) Taylor Hohulin

In the distant future, water is more valuable than gold, and the very fabric of reality has been damaged.

This bleak world is foreign to fifteen-year-old Ethan Denby. He isn't from this time, and even his body belongs to someone else.

In a desperate attempt to return home, Ethan has killed a high-ranking government official. Now there's blood on his hands and a bounty on his head. As an army of mercenaries hunts Ethan and his companions, he turns to the only source of answers he has left: a book containing dark power that threatens to consume anyone who reads it.

The Hunted is a wild post-apocalyptic adventure, equal parts Dark Tower and Pirates of the Caribbean. It is the second book in The Marian Trilogy.
