The Money Tree LaDonna N Smith

The Money Tree explains basic financial concepts and practices in plain and easy to understand language that children can comprehend and use in their day-to-day lives. The clear text and playful illustrations aim to simplify financial concepts like earning, saving, interest, the difference between needs and wants, and the joy of running one's own business. To make the otherwise boring topic interesting, the concepts have been explained through small anecdotes accompanied with colorful illustrations to stimulate children and ignite a love of saving.
